

Concert Series „The Competition across the State “

On October 8, 2021 in Agathenburg, Göttingen, Helmstedt, Langwedel, Neustadt-Mandelsloh and Wallenhorst-Rulle.

With the concert series "The Competition across the State", the Stiftung Niedersachsen brings the Joseph Joachim International Violin Competition Hannover to special concert halls throughout the state. On October 8, 2021, selected participants will have the opportunity to perform in Agathenburg, Göttingen, Helmstedt, Langwedel, Neustadt am Rübenberge or Wallenhorst/Rulle. This is a benefit for the guests as well as for the musicians, who gain stage experience, make contacts and get to know Lower Saxony. Which of the violinists will come will only be decided when the finalists in the competition are announced.
